I UNDERSTAND

A vulnerable sector screening may provide the following information from the Canadian Police Information Centre:

- Criminal record (adult and/or young offender, including summary offences);
- Findings of not guilty by reason of mental disorder;
- Probation, prohibition and other judicial orders which are in effect;
- Apprehension under the Mental Health Act;

PARDONED SEXUAL OFFENCE CHECK

I consent to a search being made in the automated criminal records retrieval system maintained by the Royal Canadian Mounted Police to find out if I have been convicted of, and been granted a pardon for, any of the sexual offenses that are listed in the schedule to the Criminal Records Act.

I understand that, as a result of giving this consent, if I am suspected of being the person named in a criminal record for one of the sexual offences listed in the schedule to the Criminal Records Act in respect of which a pardon was granted or issued, I will be asked to submit to fingerprints. If my fingerprints match those of a pardoned sexual offender, that record will be provided by the commissioner of the Royal Canadian Mounted Police to the Solicitor General of Canada, who may then disclose all or part of the information contained in that record to 3CI and/or SPS. 3CI and/or SPS will then disclose that information to me and if I further consent in writing, the information will then be disclosed to the organization stated below who requested the verification.

DECLARATIONS

I hereby declare that the foregoing information is true and complete.

I understand that a false statement may disqualify me from obtaining a vulnerable sector screening and any document obtained and used fraudulently will make me liable to be charged and punished according to the Criminal Code and other applicable laws.

I have been informed I have the right to decline to consent to the collection of my personal information for the purpose of a vulnerable sector screening and I hereby consent to 3CI and or SPS conducting an investigation for that purpose.
